Homestead
Tirur Heights
LUXURY APARTMENTS

Homestead Projects, trusted homemakers of Kerala and creators of Misty Hills, Perinthalmanna, the largest villa project in Malappuram District, presents Tirur Heights, yet another prestigious project in Tirur, the heartland of Malappuram district. Tirur Heights, a first of its kind project in Malappuram, is equipped to present a new lifestyle for the customers with an array of excellent facilities on offer.

Homestead Projects and Developers Pvt. Ltd comes with an international exposure thanks to its close association of renowned business conglomerates with a wide network of operations across India, Middle East and Asian countries.

Opening, a world of opportunity

Homestead Tirur Heights is ideally located in Tirur, right on the Tirur - Malappuram Main Road making it a highly coveted project. With the opening of Chamravattom Bridge which is touted as the gateway to Malabar, Tirur will undergo radical transformation economically and culturally in the near future.

Access to the best of both worlds

Tirur Heights offers reasons to rejoice no end. Located strategically close to places of importance like colleges, schools, technical institutions, hospitals, railway station, bus stand, places of worship, entertainment centres etc, Tirur Heights assures you won't miss out on life and will be ahead always.
